About FRIEND CCI 2nd Call for project proposals dedicated to SMEs

The FRIEND CCI project offers financial support to SMEs in the form of grants, directed to the development and implementation of cross-sectoral projects aimed to bring innovation both at the level of products and at the level of processes/ technologies, with a specific eye on the needs linked to the twin transition.

The project FRIEND CCI aims at contributing to an improved resilience of the European Industrial Ecosystem of Creative and Cultural Industries (CCI) and to its green and digital transformation, by supporting the SMEs by offering them financial support in the form of grants, directed to the development and implementation of cross-sectoral projects aimed to bring innovation both at the level of products and at the level of processes/ technologies, with a specific eye on the needs linked to the twin transition. To this end, the support will entail mandatory training and upskilling/ reskilling activities, according to the specific needs of SMEs, and including skills needed for the green and digital transition. Also, as part of the support, SMEs will be asked to include activities to go international, based on their level of readiness.

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Innovation Council and SMEs Executive Agency (EISMEA). Neither the European Union nor the granting authority can be held responsible for them.
