INNOVATION OPEN CALL

OBJECTIVE AND KEY CHALLENGES

RESIST Eurocluster will provide financial support, also known as Financial Support to Third Parties (FSTP), to European small and medium-sized enterprises (SMEs) working in the Mobility, Transport and Automotive ecosystem, so they can implement **innovation projects on green and digital transition**, leading to economic success and resilience improvement in the face of future market changes and crisis.

FSTP is an instrument used by the European Commission to distribute public funds and generate opportunities for SMEs, start-ups and/or mid-cap companies, in the adoption or development of digital technologies.

THREE KEY CHALLENGES

1. Optimised digitalisation in my company through the incorporation of **advanced technologies** in the MTA

2. Provide innovative solutions to **obtain greener production systems or products**

3. Turning to **renewable energy innovations** in my production line

(*) Beneficiaries have to select one of the three above challenges as a topic for their innovation project proposal.

INNOVATION OPEN CALL

CONDITIONS OF THE OPEN CALL

Beneficiaries can apply for this Open Call as a consortium or individually:

For projects with a consortium of several eligible applicants, a Project Manager will be assigned and will mentor and guide the team throughout the whole project

Projects will last a maximum of 9 months

From September 2023 to May 2024 for the 1st OpenCall cut-off

Partners in the project will accompany beneficiaries throughout project implementation

The Open Call beneficiaries conduct the project with one mid-term report about project advancement following a given follow-up document template

At least one Open Call project partner must participate in the Project Showcase event. The Showcase will take place in France on December 24

INNOVATION OPEN CALL

ELIGIBILITY CRITERIA

The following **eligibility criteria** must be complied in order to get through the evaluation process:

Being a European **SMEs** from the **Mobility-Transport-Automotive** (MTA) ecosystem. SMEs to be understood within the meaning of Recommendation 2003/361/EC in the version of 6 May 2003.

Beneficiary must come from Eurocluster partners' country or from **EU regions** different from the countries of individual Euroclusters' partners.

The **resilience check** must be completed. This document enables beneficiaries to audit their market situation, production, and processes towards potential risks and future market evolutions, and to set-up an action plan for mitigation of the main risks. This document will be sent once the beneficiary expressed its desire to apply for this call.

Beneficiaries applying in a consortium with other beneficiaries must come from at least **two different regions** and **maximum 3** to enhance collaboration and regional development. The projects must be led by an SME, start-up and/or mid-cap companies.

There will be two Open Calls cut-offs. Beneficiaries can **apply to both cut-offs** if the first application was not successful.
