RESIST

INTERNATIONALISATION
OPEN CALL

OBJECTIVE

RESIST Eurocluster will provide financial support, also known as Financial Support to Third Parties (FSTP), to European small and medium-sized enterprises (SMEs) working in the Mobility, Transport and Automotive ecosystem, so they can participate in **international activities organised outside the European Union.**

FSTP is an instrument used by the European Commission to distribute public funds and generate opportunities for SMEs, start-ups and/or mid-cap companies, in the adoption or development of digital technologies.

Why should you participate in international activities?

To create **new contacts with clients, suppliers or potential collaborators** from target countries

To help **spread the knowledge and benefits of solutions** for a more digital and sustainable production

To be aware about the **need to embrace the twin transition**, enabling the contact with relevant experts that can support you in the process
